

Connect with Amazon

Increased connectivity, whole home harmony, and an enhanced user experience are within reach with Amazon products. Amazon now offers elevated integration opportunities with control systems and smart home tech.

Bring Amazon Products to Life with a CEDIA Integrator:

- Amazon Echo: Voice control and smart speaker technology
- Ring: Products that help you protect what matters most at home and empower you to connect with your neighbors
- Fire TV: Pull together the power of voice control, remote control, and all the streaming
- Blink products: Indoor and outdoor security solutions that are more easily connected than ever before.
