

ZUMA

→ Sound & Light Reinvented

Zuma is a totally new way to experience truly-immersive, high-performance sound and light. Voice-controlled and discreetly installed in the ceiling, Zuma becomes part of your home.

Wellness Your Way

- Immersive Audio: In-ceiling installation blankets your room in sound
- Tunable Lighting: Create cooler or warmer room aesthetics
- Voice-Controlled: Zuma is at your command
- Live More Richly: Cooperative, intuitive tech designed for entertainment, relaxation, mood-boosting
